

# EX-VIEW

Rechargeable EX PROOF headlamp

Linear Guidance Illumination Limited

Supplied with the newest COB LED technology, the EX-VIEW provides an extremely powerful illumination which spreads the uniform light to the maximum and lightens up your entire field of view. EX-VIEW is durable and remarkably lightweight compared to other explosion proof headlamps on the market. The design is ergonomic for a perfect, comfortable fit, and the woven band is strong and adjustable. When set on sensor mode EX-VIEW is turned on/off only by waving a hand in front of the lamp in a dual movement. Thus, the light can easily be switched on/off, even when wearing thick gloves. As an extra feature, the headlamp can be detached easily from the band and used as a hand lamp or placed on a magnetic surface for inspection work.

**TECHNICAL SPECIFICATIONS**  
 High efficiency COB LED / Spot: SMD LED  
 200 lumen, Spot: 100 lumen  
 320 lux@1m, Spot: 1040 lux@1m  
 Operating time 2.5h, Spot: 3.5 h  
 3.8V/1600 mAh Li-ion  
 Charging time 3.5 h  
 IP65  
 142 g

**GAS - ZONE 2**  
**DUST - ZONE 22**
