

NOVA-EX

Rechargeable EX PROOF LED work light with cable

Supplied with 10m cable NOVA-EX is the perfect work light where there is access to permanent electricity.

The new NOVA-EX explosion proof work light is very powerful COB LED work light providing extremely bright illumination. It is designed with the newest state-of-the-art LED technology for the professional user. The new COB (chip on board) LED technology provides a uniform and completely even illumination with a high CRI (colour rendering index) value close to daylight which is particularly effective as work lighting. Depending on the work task in question you can choose between 2 light modes: 50% and 100%, respectively.

Extreme durability

The body is made of die cast aluminium and shockproof to endure even strong strokes and shocks. The work light endures the rough, wet and dirty conditions of the professional working environment, and withstands even outdoor work in all kinds of weather conditions, as it is completely waterproof (IP65). By the integrated carrying handle it is convenient to carry the work light from one work place to the other. The flexible stand can be used as a hanger and to position the lamp in the desired angle. The following accessories approved to be used in explosive atmosphere are available to position the NOVA-EX R during work: TRIPOD EX, MAGNETIC BRACKET EX, and SCAFFOLDING BRACKET EX.

TECHNICAL SPECIFICATIONS

High efficiency COB LED
(step 1/step 2)
1000/2000 lumen
