

NOVA 4K C+R

Outstanding 4000 lumen COB LED work light with DUAL SYSTEM

NOVA 4K C+R is a universal all-round work light both rechargeable and with cable (DUAL SYSTEM) providing you endless application possibilities in every working environment. Compared to the previous version, NOVA 4K C+R has been upgraded from 3000 lumen to 4000 lumen, providing much more light. The light dimmer function makes it possible to adjust the light into five levels. An intelligent display for battery capacity and remaining operating time is available on the backside.

The sturdiness of the NOVA 4K C+R makes it endure the rough, wet and dirty environment at the construction site, and can be used for outdoor work under all kinds of weather conditions. The unique COB LED technology delivers extremely high light output, with a uniform and completely even illumination. The CRI value is close to that of daylight, and the NOVA housing is made of a robust diecasted aluminum, resistant to strong strokes, shocks and vibration – perfect for a working environment.

The NOVA design is elegant, with an integrated carrying handle and a new stand for direct mounting on the SCANGRIP TRIPOD

TECHNICAL SPECIFICATIONS

- High efficiency COB LED
- 170 lm/W
- 500-5000 lux@0.5m
- 4000 lm@100% / 3000 lm@75% / 2000 lm@50% / 1000 lm@25% / 400 lm@10%
- 11.1V/4400 mAh
- 1-14h Operation time
- 2h Charging time
- 5m cable / 2x0,75mm2 H05RN-F
- 100-240V AC - 50/60Hz
- IP67
- IK07
- 2.3 kg
- 235x88x233mm
